

Regional Development Officers (RDOs)

Promoting, organising and growing badminton in Scotland.

North East Scotland – April 2024

Lets talk Badminton which was held on the evening of the 26th March with 5 club members from Highlands & Islands and Moray & Aberdeenshire, talking about the future of the sport and what we can do to improve on certain aspects, one thing is certain for us to continue we need your support.

Well done to Granite City members for travelling across to the Western Isles for some games, fun, making new memories and friendships, hope you all enjoyed yourselves, if any other club in the NE are getting involved with other clubs please let me know, would like to highlight it.

Unfortunately, we have had to cancel the ladies doubles Coaching on Friday the 26th April, due to low numbers but will try again in the new season, however we have had success in Sheddocksley on the 20th April with help from Tom Metcalfe from Inverurie, we managed to deliver a badminton basics course for 5 individuals who are on their way to coach the future participants and good luck to them all!

Looking for competition throughout Aberdeenshire and Moray over the next few months? Why not enter a team into our Summer Comp? See details below,
